6.3 **The money received may be subject to reversal.** You acknowledge that the money received in your CAPAY Account ("**Received Amount**") may be subject to reversal and you agree that we may deduct the Received Amount from your CAPAY Account if it was reversed by the person who paid you the Received Amount or any relevant payment services provider.

6.4 **Sending money using an email address.** If you send money to a person using an email address which is not registered with us, the money will not be credited until the intended recipient has claimed the money following the steps we have set out for them. Until then, there is no relationship between us and the intended recipient and the money continues to belong to you. We will refund the money to you if the intended recipient does not claim the money or if they have failed our customer checks within a reasonable time period as determined by us.

7. MAINTAINING YOUR CAPAY ACCOUNT

7.1 **Transaction history is displayed on your CAPAY Account.** All your transactions (including your current Balance, money you have uploaded, received, sent and/or withdrawn) are recorded in the transaction history section of your CAPAY Account. You may access this information after you log in to your CAPAY Account. We have allocated a reference number to each transaction, you should quote this reference number when communicating with us about a particular transaction.

7.2 **Check your CAPAY Account regularly.** You must check your CAPAY Account regularly and carefully and contact us immediately if you do not recognise a transaction or think we have made a payment incorrectly. You must tell us about:

other action carried by you, you promise to repay the negative balance immediately without any notice from us. We may send you reminders or take such other reasonable actions to recover the negative balance from you, for example, we may use a debt collection service or take further legal action. We will charge you for any costs we may incur as a result of these additional collection efforts.

- 7.4 **Taxes.** You are responsible for any taxes which may be applicable to payments you make or receive, and it is your responsibility to collect, report and pay the correct tax to the appropriate tax authority.

8. WITHDRAWING FROM YOUR CAPAY ACCOUNT

- 8.1 **Available Payout Methods.** You may be presented with one or more methods of withdrawal (in this Agreement, we will call these methods “**Payout Methods**”). The number of Payout Methods made available to you will depend on a number of factors including where you live and your verification status with us. We do not guarantee the use of any particular Payout Method and may change or stop offering a Payout Method at any time without notice to you in our sole discretion, but we will ensure that you will always have at least one Payout Method available to you.
- 8.2 **Payout Methods are not part of our Services.** Payout Methods are not part of our Services, they are services provided by third parties for example the bank where you hold your bank account. For the purposes of a withdrawal transaction, we are a payer and not a payment service provider.
- 8.3 **You must provide correct information to us.** When setting up your withdrawal request, you must ensure that the information you provide is correct and complete. We will not be responsible for money sent to the wrong recipient as a result of incorrect information provided by you. - 9.3 We can make deductions from your CAPAY Account. You agree that we are authorised to deduct our fees, any applicable reversal amounts, and/or any amounts you owe us from your CAPAY Account. If you do not have enough money in your CAPAY Account to cover these amounts, we may refuse to execute the relevant Transaction or provide any Services to you.

10. CURRENCY CONVERSION

- 10.1 **You may convert the money held in one currency in your CAPAY Account into other currencies we support from time to time.** You can only perform a conversion in

- 11.4 **You are responsible for your CAPAY Account after closure.** You agree that you will continue to be responsible for all obligations related to your CAPAY Account even after it is closed.

SCHEDULE B – FOREIGN EXCHANGE CONTRACTS AND DERIVATIVES (Spot FX, Forwards and Options)

1. APPLICABILITY OF THIS SCHEDULE

Where applicable, this Schedule B applies to all your dealings with us in relation to Spot FX, Forwards and Options.

2. MARGIN

2.1 **Margin Requirements.** Margin requirements are applicable to all Spot FX, Forwards and Options to which we act as a counterparty. CAFX NZ applies the following main principles in relation to our Margin practices:

- (i) You must provide Initial Margin (if required) before issuance of any Spot FX, Forwards or Options, and you are liable to meet all Margin Calls;
- (ii) When you have open positions, you are obliged to maintain at all times the total Margin requirements for all of your open positions;
- (iii) The Margin Call obligation is in addition to your obligation to maintain the total Margin requirements for your Account;
- (iv) The timing and amount of each Margin Call will depend on movements in the market price of the open positions and the changes to your net equity and funds available for Margin;
- (v) You have an obligation to meet the Margin Call even if we cannot successfully contact you. We are not obliged to notify you about your obligation under Margin Calls, though we may do so by email, phone call, via CAPAY Account or otherwise, as a courtesy.

2.2 **Initial Margin.** CAFX NZ may, in its sole discretion, require you to:

- (i) provide Initial Margin in relation to any Option or Forward within twenty-four (24) hours of the Instructions to enter into an Option or Forward; and/or;
- (ii) provide Initial Margin, if not already provided, within one (1) clear Business Day at any time during the term of an Option or Forward.

2.3 **Variation Margin.** If CAFX NZ determines, in its sole discretion, that the net market value of all of your open Transactions has declined and the unrealised loss when marked to market exceeds a percentage or fixed amount as CAFX NZ may advise, of the notional value of the open Transactions, you are required to post Variation Margin as stated in the Margin Call issued by CAFX NZ. Each time the net market value of all of your open Transactions decline and the unrealised loss when marked to market further increase, CAFX NZ may issue a Margin Call whereby you are required to post additional Variation Margin in the amount stated in the Margin Call within one (1) clear Business Day. Payment of Variation Margin is due on or before the close of business on the next Business Day after the day CAFX NZ issues Margin Call to you.

- 2.4 **Return of Margin.** If the unrealised loss of all your open Transactions falls below the Variation Margin requirements established elsewhere in these T&Cs, based on our computation on any Business Day, then you may request that we return to you the difference between the unrealised loss of all open Transactions and the Variation Margin held by CAFX NZ on that Business Day. Upon receipt of the notice, CAFX NZ may process the return in a timely manner but does not guarantee that the return will be processed on the same day.
- 2.5 **Margin is non-refundable.** Subject to section 2.4, any Margin paid by you to CAFX NZ is non-refundable and will be applied to satisfy your total payment obligation owed to CAFX NZ with respect to the relevant Transaction by the Settlement Cut-off Time or on the date of any final Drawdown.
- 2.6 **Failure to meet Margin requirements.** If CAFX NZ does not receive Initial Margin or Variation Margin when due, CAFX NZ, at its option and in its sole discretion, may close out any or all of your open Transactions and apply the proceeds first to reimburse CAFX NZ for the amounts due under the Transactions, including all Losses, and remit the balance of the proceeds, if any, to you. If the proceeds of disposition are insufficient to fully satisfy the amount owing to CAFX NZ, then you shall pay to CAFX NZ the difference within one (1) clear Business Day.

3. FORWARDS

- 3.1 **Risks.** You acknowledge and agree that you expressly accept the risks associated with Forward noting that the value of the currencies in a Forward may change between the date of the Transaction and the Settlement Cut-off Time.
- 3.2 **Dealing in Forward Contracts:**
- (i) A Forward can only be requested by phone, email or via the CAPAY Systems, and will become legally binding as and from the time the Transaction details are agreed between you and CAFX NZ during the phone call, entered into via the CAPAY System or otherwise agreed by CAFX NZ, and as further evidenced in the Transaction Confirmation.
 - (ii) You may request early Drawdown, i.e. pre-delivery, of your Forwards via phone, email or the CAPAY Systems. This will reduce your obligation under the Forward. Depending on the market forward points, Drawdown (or pre-delivery) could mean a discount from the Forward rate or the Premium from the Forward rate. If CAFX NZ agrees to your request, CAFX NZ may adjust the agreed Transaction rate. Unless otherwise agreed, the Transaction becomes payable on the agreed Settlement Cut-off Time.
 - (iii) Forwards may be extended (or Rollover) beyond the Settlement Cut-off Time but only at the discretion of and on conditions set by CAFX NZ (including, but not limited to, adjustment of the agreed Transaction rate). If CAFX NZ agrees to such an extension, you agree that the existing Forward will be terminated based on a rate determined by CAFX NZ and a new Forward will be entered into which reflects the agreed changes. You acknowledge that the rates for the new Forward and for the termination of the original Forward may differ from those in the original Forward. You agree that all losses and costs in relation to the change are your responsibility

and must be paid within two (2) Business Days of termination of the original Forward.

3.3 **Historical Rate Roll.** You acknowledge that CAFX NZ does not usually permit Forward to roll over at the rate(s) set out in the Transaction Confirmation applicable to the relevant Transaction (“**Historical Rate Roll**”). CAFX NZ may consider a Historical Rate Roll in its sole discretion and on a case by case basis and on written request by you. An Application/request for Historical Rate Roll must be communicated to CAFX NZ via phone or email, not via the CAPAY Systems.

3.4 **Margin requirements.** You acknowledge that we bear the risk that you may default on Settlement of the Forwards, and to mitigate this risk, we reserve the right to request that you pay one or more partial payments (Initial Margin and Variation Margin) in relation to all Forwards.

3.5 **Payment of full amount on Settlement Cut-off Time:**

- (i) You must transmit to CAFX NZ’s nominated account the full amount required to settle the Forward, less any Margin payment already paid, together with any Fees that we (or any third party) have requested, on or before the Settlement Cut-off Time.
- (ii) If you fail to pay in full any Margin requirements or Settlement amount, CAFX NZ may exercise its rights as set out in section 44.

4. OPTIONS

4.1 **Risks.** You acknowledge and agree that you expressly accept the risks associated with Options noting that the value of the Options may change between the date of the Transaction and the Expiration Date. You expressly accept that a Premium is not refundable and that a potential loss in full or partial of Premium payment will result to you if the Option is not exercised or if the gain on exercise of the Option is less than the Premium.

4.2 **Dealing in Options.** All Options may be entered into only by phone or via email. An Option will become legally binding as and from the time that the Transaction details are agreed between CAFX NZ and you over the phone, or otherwise agreed by CAFX NZ via email, and as further evidenced in the Transaction Confirmation.

4.3 **Premium:**

- (i) If applicable, the Premium required will be specified in the Transaction Confirmation. The Premium must be paid to CAFX NZ within two (2) Business Days of the Option being entered into.
- (ii) The Premium is a non-refundable fee. It does not relate to the underlying transaction that will be entered into when the Option is exercised and will not be applied towards a reduction of the Settlement amount payable under the underlying Transaction.
- (iii) In the event that you fail to pay the Premium in accordance with section 4.3 of Schedule B, CAFX NZ is not obliged to exercise the Option, and reserves the right

to terminate the Option upon twenty-four (24) hours' oral or written notice and recover all Losses incurred in connection with the Option. In the event the Option is terminated, the Premium remains payable by you as a debt to us. CAFX NZ may also exercise its rights under section 44.

4.4 **Windows and Trigger Rates.** Some Options allow a Window on the trigger event ("**Trigger**"). If the Option allows a Window for the Trigger, the applicable Trigger Rate, can only be triggered during the period of the Window.

4.5 **Exercise the Option:**

- (i) Should you decide to exercise the Option, you must notify CAFX NZ of your election to do so either by phone or email no later than the Expiration Time on the Expiration Date. Upon exercising the Option, you will be automatically entered into a Spot FX detailed in the Transaction Confirmation and will be bound by these T&Cs. You must immediately provide CAFX NZ with Beneficiary Account details and deliver to us in full the Settlement Amount within twenty-four (24) hours.
- (ii) Unless CAFX NZ receives contrary Instructions from you prior to the Expiration Date, CAFX NZ will automatically exercise an 'in the money' (ITM) Option on your behalf. If an Option is not exercised in accordance with this section, the Option will lapse at the Expiration Time on the Expiration Date.

5. CREDIT FACILITY

5.1 **Credit Offer Letter.** Where CAFX NZ has agreed to provide you with a CAPAY Account and provide Services to you in relation to:

- (i) Forwards or/and Options, CAFX NZ will issue you a credit offer letter for your consideration and execution; and
- (ii) Spot FX, CAFX NZ may issue you a credit offer letter if requested by you. Please speak with your Account manager for further information.

5.2 **When a Credit Facility will be issued.** Once you agree to the Credit Offer Letter and return an executed version to us, a Credit Facility will be established and applied to your CAPAY Account, Instructions and Transactions in relation to your dealings in Spot FX, Forwards and Options. The setting of any applicable Credit Facility will be at the absolute discretion of CAFX NZ.

5.3 **Exceeding the applicable Credit Facility.** You acknowledge and agree that if CAFX NZ acts on an Instruction and/or Transaction which would result in a Credit Facility being exceeded:

- (i) you will continue to be liable to CAFX NZ for all amounts including those above the Credit Facility; and
- (ii) CAFX NZ is not obligated to (but may) act upon any subsequent Instruction where a Credit Facility might be exceeded.

6. SETTLEMENT

6.1 Settlement.

- (a) Unless otherwise provided in the Agreements or agreed in writing between you and us, you must promptly deliver the total amount of the cost to you of a Transaction, including the cost of currency acquisition as well as any fees and charges related to the execution of the Delivery Instructions, to our nominated bank account in immediately available funds on or before the Settlement Cut-off Time.
- (b) If any Settlement payment to us is paid to us electronically, you agree that payment shall not be recallable by you without our prior written consent.
- (c) You must ensure cleared funds are received by us for the full amount and applicable transfer charges on or before the required due date and time (i.e. the applicable Settlement Cut-Off Time) in relation to the Transactions. You are liable to us for all of the costs, taxes, interest, expenses and losses we incur arising out of your failure to settle a Transaction and us exercising our rights hereunder.

6.2 Settlement Cut-Off Time. You must make all Settlements:

- (a) owing to us in New Zealand dollars (unless otherwise agreed by us) by 3:30pm (Auckland Time) on the Settlement Date; or
- (b) owing to us in other currencies, by the date and cut off time specified in the Transaction Confirmation or any other document.

6.3 Settlement Extension.

- (a) In the event we do not receive Settlement on or before Settlement Cut-off Time, we may, without your consent, amend the originally agreed upon Value Date to the immediately subsequent Business Day ("**Settlement Extension**"). You shall pay us any Losses incurred as a result of a difference between the value of the Transaction on the originally agreed upon Value Date and the prevailing market rate on the subsequent Business Day.
- (b) We reserve the right to extend the Settlement Cut-off Time of a Transaction as often as needed prior to its receipt if past due Settlement.
- (c) At any time prior to the Value Date, you may request us to extend the Value Date to a future Business Day ("**Settlement Extension Request**"). You must have an underlying business purpose for each Settlement Extension Request. All Settlement Extension Requests are subject to our approval. We may decline a Settlement Extension Request in our sole discretion for any reason. In the event of our acceptance of a Settlement Extension Request, you agree to pay to us on demand within one (1) clear Business Day the amount of any and all Losses we incur and any fee assessed by us to you in connection with its fulfilment of the Settlement Extension Request.

6.4 Failure to make payments. If you fail to make immediate payment in full Settlement for a Transaction or Instruction by the required timeframe or any other amount under these T&Cs, we have the right to:

- (a) exercise our rights under section 44 of this Agreement;

- (b) initiate any proceedings and take any other steps necessary to recover any balance due. Such steps shall be in our sole discretion, and you agree:
- (c) have no liability to you, and you waive any claim or action against us and our representatives;
- (d) indemnify and hold us and our representatives harmless from any and all Losses we incur resulting from your failure to pay and our effort to collect any balance due, including any costs associated with terminating and unwinding any Transactions;
- (e) recover interest upon any unpaid amounts in accordance with section 29 of this Agreement; and
- (f) notify any relevant credit reporting body of a non-payment by you, in accordance with the Privacy Act 2020.
